Rendezvous Room: [REDACTED] called on Mr. Van Cleve, GSA General Counsel, today to discuss the legality of serving liquor here. Mr. Van Cleve believed that General Services Administrator Kunzig had granted a blanket exception to all Department and Agency heads but his staff was not able to turn this up while

25X1A

[REDACTED] was there. [REDACTED] believes that since the latest regulation is only a year old the blanket authority, if it existed, was rescinded by that time.) Mr. Van Cleve is to search further and advise. He did assure, however, that if no blanket authority is found there will be no difficulty in achieving a specific license. He offered to assist in drafting of the license request.

DIARY NOTES

A-DD/S

18 November 1970

I mentioned the following to Colonel White:

a. That the delay in seeking a date for the NPIC/EOI building briefing was occasioned by our desire to know something more definite about the availability of [REDACTED]

25X1A

25X1A

[REDACTED] property. Colonel White urged that we not wait since we need to get a go--no go decision from the Director and we should be able to get enough land even if our total request is not approved. After chatting about the expected duration of the briefing and need for DD/P and DD/S&T to be present Colonel White decided not to go for next week on the Director's calendar. He asked that we set up a dry run with him early next week since both he and the Director will be away Thanksgiving. Subsequent to this conversation [REDACTED] and I met with Messrs. Blake and [REDACTED] to go over the outline and graphics. A number of changes were agreed and both Logistics and ourselves have actions to take.

25X1A

25X1A

b. The return to duty status of [REDACTED] I acquainted Colonel White with the desire of [REDACTED] and Dr. Tietjen to have [REDACTED] rejoin the Agency as his proposed external venture having foundered on the rocks of principles and probably ethics. I told Colonel White that we intended to approve the action unless he had positive desires to the contrary. Colonel White responded that he was pleased to have [REDACTED] back having disagreed with releasing him in the first place. I passed this information to [REDACTED] and appropriate actions will be taken to disintegrate the retirement planning.

c. Colonel White used the [REDACTED] case to remind that he wishes to make a complete review of the whole discontinued service annuity retirement arrangement. He believes that we

should not allow any individual who wishes to go out under this arrangement to leave. Rather it should be limited to cases where the decision was made instead by the Agency. I passed this to [REDACTED] who was aware of Colonel White's feeling and who indicated that OP would make a push ahead to do the review which they knew to be required.

d. I mentioned to Colonel White our last news indicating Mr. Bannerman would be back in the Washington area on 27 November.

MEMORANDUM FOR THE RECORD

SUBJECT: Executive Session, DD/S Office Heads, 17 November 1970

Following our regular Staff Meeting, the Office heads or Deputies were held to permit handling of three items. They were:

1. The Director's meeting with the CIA Retirement Board. Copies of the MFR on this session produced by Mr. Wattles were distributed (DD/S 70-4535). [REDACTED] recounted the meeting and we reiterated the importance of Office level attention to the facts and judgments in each case which would assist our formulating a Directorate position and the Board's consideration. [REDACTED] also noted that the meeting with the Board had the advantage of focusing the Director's attention on the problem of quota and the requirement for relief via our pending legislation.

25X1A

25X1A

2. The Executive Director's sensitivity on the subject of on duty strength. [REDACTED] amplified our basic statement, pointing out that Colonel White intended to use the January report as a checkpoint. We also mentioned the credit to the CS and corresponding charge against Support for the double-slotted Support personnel who have not yet left CS roles. We pointed out that these numbers were not taken into account in our projections but that they must now be. We indicated that our staff members would be in touch on the subject.

25X1A

3. I noted that Mr. Bannerman had announced his retirement at the Support Conference in [REDACTED] and that the Office Directors should know this even though there was as yet no official Headquarters announcement. I also asked them to mark 17 December on their calendars as the date for the party for Mr. Bannerman at the Marriott Twin Bridges Motel.

MEMORANDUM FOR: [REDACTED]

SUBJECT : Support Directorate Strength vs. Ceiling

25X1A

1. [REDACTED] telephoned today to reflect Colonel White's sensitivity concerning progress toward adjustment of our 30 June 1971 ceiling. Colonel White has instructed both the Inspector General and D/PPB to become involved in this matter although OP believes that the Directorates have their respective situations in hand and OP's overseeing is adequate.

25X1A

2. [REDACTED] pointed to one facet which might not be receiving adequate attention within Support. This is the credit to the Clandestine Service and charge against Support of the double-slotted Support Directorate personnel who are to come back to their career offices from the CS at or shortly after 30 June. [REDACTED] pointed out that the numbers last year were fairly considerable but that our underage in CTP provided a saving also. He anticipates that the number this year will be considerably less but nonetheless a factor which we should include in our projections.

25X1A

3. I would appreciate it if you would attempt to get a handle on this item and remind our various offices that their strength planning must allow for these "returnees". Our own Directorate level strength projections should be similarly adjusted. It may also be appropriate to review the validity of the understanding under which the CS receives full credit for these double-slotted people.
